Dear Parents,

Our Unit of study this month will be Caterpillars to Butterflies and Flowers. During this month we will learn about life cycles, parts of flowers, and summer safety.

Our Bible stories will be “The first Pentecost” and “Philip and the Man from Africa”.

Our memory verse for the month - “I am with you and will watch over you wherever you go” Genesis 28:15

A Big Thanks! We would like to thank all of the people who have helped out with activities, fund raisers and field trips this year!

May 15th & May 16th will be our last full days of classes. Thank you for a great year!

Friday, May 17th will be the all school class picnic between 10:30-12:00. Hope to see everyone there. Just a reminder all students need an adult with them at the picnic. Children will come with an adult at 10:30.

Graduation is Monday, May 20th at 9:00am for all students that will be going on to kindergarten. Non-graduating students and parents are invited.

Have a great summer!

To dream is to be filled with hope. We know this because we see the faces of hope daily.

Our Mission:
Providing a Christ-centered education for pre-school age children.
