Our unit of study this month will be Caterpillars to Butterflies and Flowers. During this month we will learn about life cycles, parts of flowers, and summer safety.

Our Bible stories will be:

“The first Pentecost”

“Philip and the Man from Africa”

“God makes Saul a ‘New Creation”

Our memory verse for the month - “I am with you and will watch over you wherever you go”
Genesis 28:15

We made it! May 24th & May 25th will be our last full days of classes. Thank you for a safe and wonderful year!

Wednesday, May 26th will be the all school class picnic between 10:30-12:00. Hope to see everyone there. Just a reminder all students need an adult with them at the picnic. Children will come with an adult at 10:30. You must bring your own food and drink and a blanket to sit on.

Graduation is Thursday, May 27th at 9:00am for all students that will be going on to kindergarten. Each child will be given four guest tickets. Masks are required.

Have a great summer!

To dream is to be filled with hope.
We know this because we see the faces of hope daily.
