

Holy Trinity Lutheran Preschool

Providing a Christ centered education for Preschool age children.

MRS. CARTER'S CONNECTION

I want to send a huge shoutout to our amazing students! They have settled into the classroom beautifully, successfully working on forming friendships, mastering our new routines, and developing patience with one another. We are so proud of their incredible adaptability!

November is shaping up to be a fun and engaging month, centered around farming, harvesting, and Thanksgiving. We'll be discussing where our food comes from and exploring the meaning of gratitude. The children will even get to make a special Thanksgiving snack!

Our academic focus will be:

- Literacy & Math: We will practice sequencing stories, review numbers 1 through 4, and continue building foundational reading skills through phonics. We will also work on sorting based on shape, color, and size.
- Concepts: We'll learn the color brown and the shape of a triangle.
- Social-Emotional: A key focus will be on building a kind classroom community by exploring good manners and learning how to articulate feelings.

NOVEMBER BIBLE VERSE

I am the
good shepherd.
John 10:11
