Providing a Christ centered education for Preschool age children.

MRS. CARTER'S CONNECTION

Start your engines! We are thrilled to dive into the world of transportation this month. To bring our lessons to life, we'll be hosting a Transportation Expo in our parking lot at the end of the month! This event gives students a hands-on look at all the different ways we move through the world.

We need your help! If you or someone you know has a unique or interesting vehicle to showcase, please reach out—we would love to have you.

As we approach the end of the school year, things are moving fast! Please keep an eye out for upcoming information regarding our final spring events.

Have a blessed Easter!
