Providing a Christ centered education for Preschool age children.

## MRS. CARTER'S CONNECTION

Can you believe it's May already? Watching your children grow and blossom this year has been an absolute joy. Whether they are moving on to Kindergarten or returning to us in the fall, they have learned so much and are ready to rock!

This month, we are exploring the world of insects, complete with hatching ducks and watching the metamorphosis of our caterpillars. May is always such a magical time in the classroom!

Thank you for a wonderful year and for sharing your little ones with me.
