

A Message From Mrs. Carter:

We are so excited to get this year started! It was wonderful meeting everyone at orientation day and I am looking forward to working with not only the students, but also their families! September will be a great month full of fun and learning. Our theme this month is All About Me and My Five Senses. We will be learning procedures and how to be a good friend. Outside of the classroom, there is a board of everything we are learning for the week. Check it out!

Best, Mrs. Carter
